Dear Pankaj,

As you are aware, the enrolment of children under Aadhaar would enable us to eliminate the proxy enrolment and provide the benefits of Mid Day Meal Scheme to the deserving children in a seamless manner.

2. There are 159449 children enrolled in Government schools in Nagaland. Out of which only 24203 children are Aadhaar enrolled, which is just 15%. The stipulated date for completing 100% Aadhaar enrolment is 31st August, 2017. Besides, despite letters from the Ministry to furnish detailed Action Plan to complete 100% Aadhaar enrolment, no response from Government of Nagaland has been received. I understand that due to the summer vacations, the enrolment exercise was hampered. However, now the schools have reopened, I earnestly suggest the Aadhaar Enrolment Campaign be given an added thrust by the Government of Nagaland in a time bound manner and be monitored personally at your level as there are coordination issues.

3. I shall be grateful if you would kindly instruct the concerned Authorities in your State to complete the Aadhaar enrollment of all school children by stipulated date and weekly progress report along with Action Plan for achieving 100% Aadhaar enrollment may kindly be submitted to this Department.

Regards,

Yours sincerely,

Anil Swarup

6th July, 2017

Dear Aditya,

As you are aware, the enrolment of children under Aadhaar would enable us to eliminate the proxy enrolment and provide the benefits of Mid Day Meal Scheme to the deserving children in a seamless manner.

2. There are 5104795 children enrolled in Government schools in Odisha. Out of which only 1439170 children are Aadhaar enrolled, which is just 28%. The stipulated date for completing 100% Aadhaar enrolment is 31st August, 2017. Besides, despite letters from the Ministry to furnish detailed Action Plan to complete 100% Aadhaar enrolment, no response from Government of Odisha has been received. I understand that due to the summer vacations, the enrolment exercise was hampered. However, now the schools have reopened, I earnestly suggest the Aadhaar Enrolment Campaign be given an added thrust by the Government of Odisha in a time bound manner and be monitored personally at your level as there are coordination issues.

3. I shall be grateful if you would kindly instruct the concerned Authorities in your State to complete the Aadhaar enrollment of all school children by stipulated date and weekly progress report along with Action Plan for achieving 100% Aadhaar enrollment may kindly be submitted to this Department.

Regards,

Yours sincerely,

Anil Swarup
