D.O. No. 1-39/2020- KT

Dated the 04th May, 2020

Dear *Sir / Madam*,

Sub: Suggestions on framing Guidelines on Online/Digital Education by
MHRD- reg

The COVID-19 pandemic has made the school education system deal with extraordinary circumstances and accordingly, there is a need to promote Online/Digital learning.

2. This situation will definitely stress the system and it is imperative that administration frame guidelines such that there is no lasting impact on a child's socio-emotional and mental health, as well as on overall learning outcomes. The digital divide has the potential to widen the disparity for children from disadvantaged backgrounds.

3. In this background, Ministry of Human Resource Development is preparing comprehensive guidelines for Online/Digital Education. The States/UTs are requested to share their suggestions on guidelines on Digital Education focussing on School Management, Teachers, Students and Parents. These suggestions will be helpful in farming a comprehensive guideline on Digital Education. If any State/UT has already made guidelines it may kindly be shared with undersigned by 10th of May 2020.

With regards,

Yours sincerely,
R.C. Meena
