D.O.No. 7-1/2009 EE-6 (MDM 2-1)

Dated: 07/12/2012

Dear Colleague,

Thanks to your efforts, we have completed data entry for the MDM portal for 10.39 lakh schools out of 12.17 lakh schools. I am enclosing herewith the State-wise details at **Annexure-I**.

As can be seen, data entry position for the States of Assam, Delhi, Jharkhand, Meghalaya, Odisha and Punjab still needs improvement. They need to put in place an effective mechanism for improving their performance in this regard. Similarly Delhi needs to tie up with all the different organizations implementing the MDMS within the NCT of Delhi, such as NDMC, MCD, as well as Department of Education run schools for improving the data entry position in the MDMS portal. In this connection another training session was conducted for them on 27th November, 2012.

The State-wise detail for the districts where Annual data entry is below 70 % is also enclosed. The States may please further speed the data entry process and complete the entire data feeding work by 10th December, 2012.

We find that the following issues still need to be resolved at your level for successful implementation of this task in a time bound manner.

- i) Provision of proper computer facilities, internet connectivity and uninterrupted power supply to the district and block level for timely and smooth data entry.
- ii) The State/ UT specific NICs should be involved in this work to resolve the issues which can be resolved at the State/ UT level.
- iii) Engagement of manpower under mid day meal scheme or utilization of the services of manpower of other schemes viz. SSA etc. for feeding of data. It is relevant to mention that Government of Bihar has made provision under Mid Day Meal Scheme for data entry in to their existing MIS portal by paying Rs.16.00 per school per month. If data is not entered before 15th of every month by the private provider then a fine of Rs.32.00 is charged from him.
- iv) In case of States/ UTs, where Education Department is not the Nodal Department for implementation of Mid Day Meal scheme, proper coordination should be ensured between Education Department and Nodal Department for feeding of correct data into MIS portal.

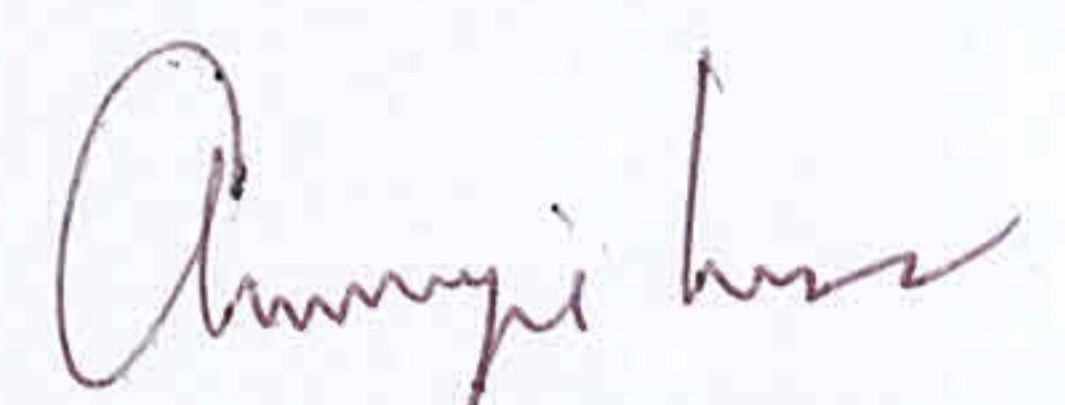

मध्याह्न भोजन योजना
Mid Day Meal Scheme

I shall greatly appreciate if you could kindly ensure effective mechanisms are put in place for taking corrective measures on the above points and to advise the concerned officials of your State to extend their full cooperation in making correct entry in to the training version of MIS portal www.trgmmdm.nic.in

An early action in this regard would be highly appreciated. MDMS, as I always mention is really God's own work and we all are privileged to carry this out! A little effort on your part will ensure that the real time data on the implementation of the MDMS is available with you and that no child goes hungry without MDMS.

With regards,

Yours sincerely,

(Amarjit Singh)

To

Principal Secretaries / Secretaries of Assam, Delhi, Jharkhand, Meghalaya, Odisha and Punjab.
