Information to be provided under RTI Act

Mid Day Meal Division under Elementary Education I Bureau.

Subject: Information to be given U/s 19(8) (a) of RTI Act.

Information in respect of MDM Division is given below in the suggested format:

I. Objective/purpose of the public authority

The objectives of the Mid Day Meal Scheme are to:

(i) Encourage poor children, belonging to disadvantaged sections, to attend school regularly and help them concentrate on classroom activities.

(ii) Improve the nutritional status of the children in classes 1-VIII in Government local Body and Government aided schools and EGS and AIE centres.

(iii) Provide nutritional support to children in drought-affected areas during summer vacation.

Mission/Vision Statement of the public authority.

To prevent classroom hunger and promote school participation thereby enhance enrolment, retention and attendance; foster social equality and gender equity and simultaneously improve nutritional levels among children.

Through the MDMS, the Government is helping underprivileged children by providing them with a healthy, balanced meal that they would otherwise have to work for. The meal is an incentive for them to continue their education. It helps reduce the dropout rate to an enormous extent and increases classroom attendance.

Brief history of the Public Authority:

Background

Despite all its economic prosperity in certain areas, India lags behind on many social parameters. One of them is child nutrition and nourishment. 42% of the Indian children under the age of 5 are underweight. Most children belonging to the economically backward background are foregoing schooling to supplement their family's income. The surest way to break out of the cycle of poverty is through education. Education can significantly improve the quality of life of a family for generations to come. When the basic needs of a child, such as food are not met, education often becomes the last priority.
With a view to enhancing enrolment, retention and attendance and simultaneously improving nutritional levels among children, the National Programme of Nutritional Support to Primary Education (NP-NSPE) was launched as a Centrally Sponsored Scheme on 15th August 1995, in 2,408 blocks in the country as a dry ration scheme. Under this programme, food grains @ 3 kgs per student / per month was provided to all the children of classes I-V in all Government, Local body and Government aided schools in all the States and UTs subject to a minimum of 80% attendance of such children. By the year 1997-98 the NP-NSPE was extended to all blocks of the country. Under the order dated 28th November, 2001 of the Supreme Court this became a cooked Mid Day Meal Scheme under which every child in every Government and Government assisted primary schools was to be served a prepared Mid Day Meal with a minimum content of 300 calories and 8-12 gram protein per day for a minimum of 200 days. Central Assistance under the scheme consisted of free supply of food grains @ 100 grams per child per school day, and subsidy for transportation of food grains up to a maximum of Rs 50 per quintal. There was no provision for Central assistance for cooking cost. However, 13 States and 6 UTs provided cooked meal to all children from their own budget. 10 States and 1 UT provided cooked meal partially. The Scheme was further extended in 2002 to cover not only children studying in Government, Government aided and local body schools, but also children studying in Education Guarantee Scheme (EGS) and Alternative & Innovative Education (AIE) centres.

In September 2004 the Scheme was revised to provide for Central Assistance for Cooking cost @ Re 1 per child per school day. Cooking cost included cost of pulses, vegetables cooking oil, condiments, fuel and wages and remuneration payable to personnel or amount payable to agency (e.g. SHG, VEC / SMDC), responsible for cooking. Transport subsidy was also raised from the earlier maximum of Rs 50 per quintal to Rs. 100 per quintal for special category states and Rs 75 per quintal for other states. Central assistance was provided for the first time for management, monitoring and evaluation of the scheme @ 2% of the cost of foodgrains, transport subsidy and cooking assistance. A provision for serving mid day meal during summer vacation in drought affected areas was also made.

In July 2006 the Scheme was further revised to enhance the cooking cost to Rs 1.80 per child/school day for States in the North Eastern Region, provided the NER states contribute minimum Rs 0.20 per child/school day, and Rs 1.50 per child / school day for other States and UTs, provided these States and UTs contribute minimum Rs 0.50 per child/school day. The nutritional norm was revised to 450 Calories and 12 gram of protein. In order to facilitate construction of kitchen-cum-store and procurement of kitchen devices in schools provision for Central assistance @ Rs. 60,000 per unit and @ Rs. 5,000 per school in phased manner was made. The existing system of reimbursement of transport subsidy to States / UTs was modified to grant-in-aid system like other components of Central assistance under the Scheme.

In October 2007, the Scheme was extended to cover children of upper primary classes (i.e. class VI to VIII) studying in 3,479 Educationally Backwards Blocks (EBBs) and the name of the Scheme was changed from ‘National Programme of Nutritional Support to Primary Education’ to ‘National Programme of Mid Day Meal in Schools’. The nutritional norm for upper primary stage was fixed at 700 Calories and 20 grams of protein.
The Scheme was further revised in April 2008 to extend the scheme to recognized as well as unrecognized Madarsas / Maqtabs supported under Sarva Shiksha Abhiyan (SSA) as Government aided centres.

The Scheme was again revised in November, 2009 (approved on 19.11.2009) with the following modifications:-

(i) Revision of the food norm for Upper Primary children by increasing the quantity of pulses from 25 to 30 grams, vegetables from 65 to 75 grams and by decreasing the quantity of oil and fat from 10 grams to 7.5 grams. The food norm after this revision from 1.12.2009 has become as under:

With effect from 1st July, 2012
Cooking cost includes costs of pulses, vegetables, cooking oil and condiments, fuel etc.

(iii) Honorarium of Rs. 1000 per month from 1.12.2009 to cook-cum-helper and engagement of one cook-cum-helper for schools upto 25 students, two cooks-cum-helpers for schools with 26 to 100 students and one additional cook-cum-helper for every addition of upto 100 students. The expenditure towards the honorarium of cook-cum-helper is shared between the Centre and the NER States on 90:10 basis and with other States/UTs on 75:25 basis.

(iv) Instead of a flat rate of Rs.60,000 for construction of kitchen-cum-store per school across the country, the construction cost is to be determined on the basis of plinth area norms and State Schedule of Rates prevalent in the State/UT. The cost of construction of Kitchen-cum-stores is shared from 1.12.2009 between the Centre and the NER States on 90:10 basis and with other States/UT on 75:25 basis. This Department vide letter No.1-1/2009-Desk (MDM) dated 31.12.2009 has prescribed 20 sq.mt. plinth area for construction of Kitchen-cum-Store in schools having upto 100 children. For every additional upto100 children, additional 4 sq.mt. plinth area will be added. States/UTs have the flexibility to modify the slab of 100 children depending upon the local conditions.

(v) Transportation assistance in the 11 Special Category States (viz. Assam, Arunachal Pradesh, Himachal Pradesh, Jammu & Kashmir, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, Uttarakhand and Tripura) at par with the PDS rates prevalent in these States.

(vi) Decentralization of payment of cost of foodgrains to the FCI to the district level.

Organizational Structure/ Diagram at various levels namely State, directorate, Region, district, block etc.

The organisational structure at the national level is as under:

![Organizational Structure Diagram]

(As on 3-12-2012)

The work distribution amongst the officials of the Mid Day Meal Division can be seen at annexure-1.

In the States the Secretaries Department of Education look after the implementation of the MDMS along with the Directors of MDMS. This is so except in the States of Madhya Pradesh and Rajasthan where the Secretary Panchayat is responsible for implementation of the MDMS; Tamil Nadu where Secretary Social Welfare implements the Scheme and Orissa where Secretary WCD implements the Scheme.

At the district level, the District Collector is responsible for the implementation of the Scheme along with the District Education Officers. In States where the district Panchayat are well established the Chief Executive Officer of the Zila Panchayat look after the implementation of the MDMS under the overall guidance of the District Collector.

At the Block level the Deputy District Education Officer implements the Scheme
Expectation of the public authority from the public for enhancing its effectiveness and efficiency.

I. Provide support in the implementation of the Scheme,

II. Public at large are required to monitor the (i) regularity and wholesomeness of the mid day meal served to children, (ii) cleanliness in cooking and serving of the mid day meal, (iii) timeliness in procurement of good quality ingredients, fuel, etc, (iv) implementation of varied menu, (v) social and gender equity on a daily basis. As a whole provide community support.

III. The public are also expected to ensure that the Scheme fosters social harmony and that the members of the SC/ST and minority community are not discriminated against.

Arrangements and methods made for seeking public participation/Contribution.

In order to ensure public awareness about the Scheme, print and radio advertisements are given at regular intervals as part of an integrated media campaign. The MDMS Bureau maintains a regular website www.education.nic.in which provides all the details guidelines and other information about the Scheme.

At the local level all schools and centres where the programme is being implemented are required to display the following information at a visible place in the campus for the notice of the general public:

i. Eligibility and entitlements of the children
ii. Quantity of foodgrains received, date of receipt.
iii. Quantity of food grains utilized
iv. Other ingredients purchased, utilized
v. Number of children given mid day meal.
vi. Daily Menu
vii. Roster of Community Members for supervision and monitoring.

At the school level the School Management Committee ensures community participation in the Scheme. At the block, district, State and national level there is a Steering-cum-Monitoring Committee with broad based participation for seeking public participation advice and guidance on the Scheme as well as to ensure their active participation in the monitoring of the Scheme.

The modifications in the guidelines are made keeping in view the difficulties faced/improvement required in the smooth implementation of the Scheme, and State/UT Governments are consulted wherever required. Irregularities, where noticed, by the Public are also brought to the attention of this Ministry through letters etc. and the matter is immediately referred to the concerned State/UT for enquiry and prompt action.
Eminent national and international Institutions and Office of Supreme Court Commissioner are involved with the programme during the Review Missions for seeking their advice and inputs into the programme.

The Commissioners of the Supreme Court who visit the States regularly and interact with the local community provide another useful link with the community and have often provided advice which has led to policy change.

Similarly the Department of School Education & Literacy has contracted 39 eminent Monitoring Institutions for monitoring of the MDMS. They also hold a wide range of discussions and consultations while preparing their review reports on the status of MDM in the districts allotted to them.

As far as contribution for the Scheme is concerned this is facilitated by the School Committees, district level officials or the State authorities. There are number of instances where the philanthropists and public spirited individuals contribute to the construction of kitchen sheds, provision of eating plates for the MDMS.

**Mechanism available for monitoring the service delivery and public grievance resolution.**

Monitoring Mechanism

The Department of School Education and Literacy, Ministry of Human Resource Development has prescribed a comprehensive and elaborate mechanism for monitoring and supervision of the Mid Day Meal Scheme. The monitoring mechanism includes the following:

a **Arrangements for local level monitoring**: Representatives of Gram Panchayats/Gram Sabhas, members of VECs, PTAs, SDMCs as well as Mothers’ Committees are required to monitor the (i) regularity and wholesomeness of the mid day meal served to children, (ii) cleanliness in cooking and serving of the mid day meal, (iii) timeliness in procurement of good quality ingredients, fuel, etc, (iv) implementation of varied menu, (v) social and gender equity on a daily basis.

b **Display of Information**: In order to ensure transparency and accountability, all schools and centres where the programme is being implemented are required to display the following information at a visible place in the campus for the notice of the general public:

   i. Eligibility and entitlements of the children
   ii. Quantity of food grains received, date of receipt.
   iii. Quantity of food grains utilized
   iv. Other ingredients purchased, utilized
   v. Number of children given mid day meal.
   vi. Daily Menu
   vii. Roster of Community Members for supervision and monitoring.

c **Block level Committee**: A broad based Steering-cum-Monitoring Committee would also monitor the implementation of the Mid Day Meal Scheme at the block level.
d **District level Committee**: Besides a Steering-cum-Monitoring Committee for monitoring the MDM scheme at district level, the States/UTs have been directed to constitute a District Level Committee with the following composition:

- All Members of Parliament, Members of the State Legislature and members of the Zila Parishad
- The District Magistrate/Collector/Deputy Commissioner/Chief Executive Officer of the Zila Parishad/Urban local body will be the Member-Secy.
- District Officer in-charge of MDM
- Two NGO’s working on elementary education for MDM in the area,
- The senior-most Member of Parliament present in the meeting will chair the committee on the day it meets.

This committee monitors the implementation of SSA as well as MDM programmes in the district.

e **State level**: States and UT Administrations also required to set up a Steering-cum-Monitoring Committee at the State level to oversee the implementation of the Scheme. States / UTs have deployed independent institutions for the evaluation of the Scheme.

f **National level**: At Centre level Government of India monitors the Scheme through a National Level Steering-cum-Monitoring Committee (NSMC), Programme Approval Board (PAB) under the Chairpersonship of Secretary(SE&L). Regional and State level review meetings are also held to monitor and iron out State / UT specific issues relating to implementation of the programme. The General Council and Executive Council of the National Mission for Sarva Shiksha Abhiyan also review Mid Day Meal Scheme.

g **Review Mission**: The Review Mission consisting of representatives of Ministry of HRD, Consultant, representative of State Government, UNICEF and an NGO visited 8-10 schools of two districts each of Uttar Pradesh, Bihar and Assam during February, 2010 to see the actual implementation of the Scheme at ground level. The report prepared by the Mission was shared with these States for taking corrective measure on the deficiencies reported in the implementation of the scheme and sending action taken note on the report.

h **Periodic Returns**: The State Government/ UT is also required to submit periodic returns to the Department of School Education and Literacy, GOI to provide information on (i) coverage of children and institutions, (ii) number of school days (iii) Progress in utilization of central assistance (iv) availability of necessary infrastructure in schools, (v) any untoward incident etc.,

i **Monitoring by Institutions of Social Science Research**: Thirty Six Institutions of Social Science Research, identified for monitoring the Sarva Shiksha Abhiyan, are also entrusted with the task of monitoring the mid day meal scheme.
**Inspections by State Government Officers:** Officers of the State Government/ UTs belonging to the Departments of Revenue, Rural Development, Education and other related sectors, such as Women and Child Development, Food, Health etc. are also required to inspect schools and centres where the programme is being implemented. It has been recommended that 25% of primary schools/ EGS & AIE centres are visited every quarter.

**Grievance Redressal:** The Government of India has issued guidelines to all States and Union Territories to develop a dedicated mechanism for public grievance redressal, which should be widely publicized and made easily accessible to all the stakeholders and public at large.

### Grievance Redressal Mechanism in States/UTs:

The government has issued on 30.6.2010 guiding material to states/UTs for developing a grievance redressal mechanism (GRM) which advises them to set up call centres, SMS services and other means of communications for receiving grievances and getting them redressed in time bound manner under intimation to the complainant. In response following States/UTs have developed their GRMs:-

IX. What is the procedure followed to take a decision for various matters? (A reference to Secretariat Manual and rule of Business Manual, and other Rules/regulations etc. can be made)

Reply: Procedure followed in the decision-making process, including channels of supervision and accountability

1. The Govt. of India (Transaction of Business) Rules framed under Article 77(3) of the Constitution define the authority, responsibility and obligations of each Department in the matter of disposal of business allotted to it. While providing that the business allotted to a Department will be disposed of by, or under the direction of, the Minister-in-charge, these rules also specify:
a) cases or classes of cases to be submitted to the President, the Prime Minister, the Cabinet or its Committees for prior approval; and

b) the circumstances in which the Department primarily concerned with the business under disposal will have to consult other departments concerned and secure their concurrence before taking final decisions.

2. Action on routine papers is initiated at the level of Dealing Assistants and on important papers, at higher levels e.g., Section Officer/Under Secretary. Normal Channel of submission of papers is :-

Dealing Assistant > Section Officer > Under Secretary > Deputy Secretary/Director.

3. Above the level of Deputy Secretary/Director, a case may be disposed of at one of the following levels depending on its nature:-

- Joint Secretary
- Additional Secretary/Secretary
- Minister of State/Minister

4. Subject to what is stated in para 1 above, cases related to all matters of policy, replies to Starred Parliament Questions, appointment to Group “A” posts, foreign visits of Group “A” officers etc. are disposed of at the level of the Minister for HRD. He has delegated following categories of cases for final disposal at the level of Minister of State:-

i) Replies to all Un-starred Questions in Parliament.

ii) Fulfilment of Parliament Assurances.

iii) Papers to be laid on the Tables of both the Houses of Parliament.

v) Authentication of papers to be laid on the Table of the House.

5. Cases not falling under various categories mentioned in para 4 are disposed of at the level of Secretary/Additional Secretary or Joint Secretary, depending upon their nature. Very routine cases are disposed of at lower level also, e.g., Deputy Secretary/Director or even Under Secretary.

6. In cases where appointment /sanction of grant-in-aid/scholarship etc. is to be done based on the recommendations of a Selection Committee /Grant-in-Aid Committee, etc., such recommendations are obtained and processed for final decision at the competent levels.

7. Generally, all expenditure decisions require concurrence of / consultation with Financial Advisor or Ministry of Finance depending on the nature of the case.

X What are the documented procedures/ laid down procedures/ Defined Criteria/Rules to arrive at a particular decisions/ matters? What are different levels through which a decision process moves?
Reply: As mentioned against item IX above.

XI. What are the arrangements to communicate the decision to the public?

All major policy decisions, manuals, guidelines details about the working of the Scheme are available of the web site of the Department www.education.nic.in

As the State Governments/UT Administrations are the implementation agencies of the Mid Day Meal Programme, any grievance/complaint received quoting any particular incidence of irregularity in the implementation of the Scheme is referred to the concerned State/UT for taking immediate corrective action. They are also informing the concerned complainant about the position. The government has issued on 30.6.2010 guiding material (Annexure-IX) to states/UTs for developing a grievance redressal mechanism (GRM) which advises them to set up call centres, SMS services and other means of communications for receiving grievances and getting them redressed in time bound manner under intimation to the complainant.

XII. Who are the offices at various levels whose opinions are sought for the process of decision making?

Reply: As the MDM Scheme is implemented by States/UTs, their opinion is sought in the process of decision making whenever required. The other Central Government Departments, which are concerned with the MDM Scheme are Department of Food (as they control FCI, who supply foodgrains to the States/UTs as per their allocation, Ministry of Health for proper implementation of health and nutritional status check ups of Students in various schools, Planning Commission/Ministry of Finance in the matter of making budget provisions for the Scheme and for taking decisions of allocation of funds for particular activities suggested by various sources: Ministry of Labour for implementation of Mid Day Meal Scheme in the National Child Labour Project Scheme.

In addition the Monitoring Institutions are also involved, where required in the process of decision making.

XIII. Who are the offices at various levels whose opinions are sought for the process of decision making?

All decisions are taken in a collegial manner; the Section Officer, Under Secretary, Joint Secretary, Secretary and Minster are all involved in the process of decision making. The process of consultation depends on the decision to be taken. In the case of Annual Plan approvals the Programme Approval Board for MDM headed by Secretary(SE&L) is the main body. In all cases of financial matters, the approval of the Financial Advisor and Additional Secretary is mandatory.

If the Scheme is to be revised and the outlay goes beyond Rs. 100 Crores, then the approval of Planning Commission and or Secretary, Expenditure is also required.

XIV. Who is the final authority that vets the decision?
As regards taking decisions for release of funds within the allocation made by Ministry of Finance/Planning Commission, this Department is competent to take decisions. If any additional funds are required for new purposes/existing purposes, the matter is taken up with Ministry of Finance/Planning Commission.

XV. Please provide information separately in the following format for the important matters on which the decision is taken by the public authority.
