Mid-day Meal Scheme

Suggestions

- ❑ ***As the scheme is found to be good for improving the enrollment, attendance status of students in the districts, it is suggested that trainings under MDM scheme should be given to all head teachers and gram pradhans under management, supervision, record keeping and accounting system.***
- ❑ ***It was observed that training is needed for record keeping which was found to be a weak link in the entire delivery mechanism of the mid-day meal scheme in the districts. It was also found that the cooks need to be trained on hygiene, safety and security.***
- ❑ ***At least one male supervisor should be appointed for doing arrangement of cooking materials, fuels, vegetables and transportation of food grains etc.***
- ❑ ***The gas cylinders should be provided to all of the schools for safe cooking the meals for students.***

Mid-day Meal Scheme

Suggestions

- ❑ ***As the Pradhans are too busy with other development schemes and many women Pradhans expressed their inability to implement the scheme, hence it is recommended that the School Management Committees (SMCs) may be strengthened.***
- ❑ ***Honorarium of CCHs should pay some more.***
- ❑ ***All assets / infrastructures under the MDM scheme should be recorded in the maintained stock register in each of the school.***

फर्स्ट एड बॉक्स नहीं

विद्यालयों में प्रवेश सूची के अनुरूप रसोइयों की तैयारी नहीं होने, आवश्यक बच्चा से नहीं दिए जाने तथा प्रधान व रसोइया समेत विद्यालय से जुड़े किसी भी कर्मचारी व प्रतिनिधि को एमडीएम पर प्रतिक्रिया नहीं दिलाने जाने का मामला उजागर हुआ। ऑडिट में 40 प्रतिशत विद्यालयों में अभी भी सफाई पर मध्यमधन योजना परकर जाने व फर्स्ट एड बॉक्स नहीं होने की बात भी सामने आई।
